

# SVA - KARL STORZ Endoscopy Masterclass: The Multipurpose Rigid Endoscopy Workshop

**Date : 29 September 2018, Saturday**

**Time : 0830 to 1800**

**Venue: The Academia @ Singapore General Hospital**

## Program:

0830 – 0900: Registration

0900 – 0945: **Dr. Philip Lhermette**

*Introduction, Cystoscopy and Rhinoscopy/Airway*

0945 – 1030: **Dr. Mandy Burrows**

*Management of chronic otitis externa with Otoscopy*

1030 – 1100: Tea Break

1100 – 1145: **Dr. Elise Robertson**

*Multi-purpose rigid scope in feline medicine*

1145 – 1230: **Dr. Philip Lhermette**

*Laparoscopy/Thoracoscopy and  
“Otheroscopies”*

1230 – 1330: Lunch

1330 – 1730: Wetlab

1800: End

## Course Fee:

**SVA member:  
SGD1,000**

**SVA non-member:  
SGD1,200**

## **Course Outline:**

This Masterclass will teach the application of rigid endoscopy that can be used daily in a small animal practice. Participants will learn how to perform rhinoscopy, laryngoscopy, cystoscopy, vaginoscopy, bronchoscopy (using a flexible broncoscope), and otoscopy. The lecture portion will cover the indications, instrumentation, endoscopic techniques and case examples. This course includes a 4 hours cadaveric hands-on wet lab where participants will become competent in cystoscopy, rhinoscopy and otoscopy in both feline and canine.

KARL STORZ – ENDOSKOPE

# Speakers

**Dr. Philip Lhermette**

*Principal and founder of Elands Veterinary Clinic, Sevenoaks, Kent, United Kingdom*

Philip has a particular interest in minimally invasive (keyhole) surgery using both rigid and flexible endoscopes. Philip trained with human minimally invasive surgeons in the UK and veterinary endoscopists in the USA. Having practised rigid endoscopy since 1995, Philip has extensive experience in endoscopy and endosurgery and has run a referral service since 2001. He pioneered laparoscopic bitch spays and laser endosurgery in veterinary medicine in the UK, is author and editor of the BSAVA Manual of Canine and Feline Endoscopy and Endosurgery and has contributed to numerous other publications. In 2011 Philip received the BSAVA Simon Award for outstanding contributions in the field of veterinary surgery and in 2016 he was awarded Fellowship of the Royal College of Veterinary surgeons for meritorious contributions to clinical practice.

---

**Dr. Mandy Burrows**

*Registered specialist in veterinary dermatology & Associate Professor in Small Animal Medicine (Dermatology) at Murdoch University, Western Australia*

Mandy is the key dermatologist at ADC-Perth with two dermatology practices in Western Australia. Mandy teaches undergraduate veterinary students at Murdoch University and the dermatology unit of the Masters in Veterinary Medicine at Massey University. She is the current Past President of the Council of the ANZCVS; the current Australian and New Zealand representative of the World Association for Veterinary Dermatology and the President of World Congress in Veterinary Dermatology to be held in Sydney in 2020. She has authored and co-authored publications in national and international journals and textbooks. She has extensive experience with clinical dermatology in companion animals and she loves consulting and teaching.

---

**Dr. Elise Robertson**

*Specialist in Endoscopy, Maven veterinary Care, Surrey, United Kingdom*

Elise operates a peripatetic feline medicine and endoscopy / endosurgery referral service (canine & feline) for first opinion and referral practices in SE England. She also operates quarterly referral clinics, and CPD events, in countries throughout SE Asia including Thailand, Singapore, Malaysia and Taiwan. She received her formal training in medical endoscopy and 'key hole' surgery from well-known human and veterinary academic institutions based in the UK, France, Germany, Italy and United States. She currently divides her time between clinical work, teaching/lecturing and publishing within the subjects of feline medicine, endoscopy & endo-surgery. She is a recent recipient of the 2018 BSAVA PetSavers Award for her meritorious contributions as a veterinary surgeon in small animal veterinary practice.
