# SHELTER MEDICINE WORKSHOP 2018

**Venue:** Singapore SPCA

**Date:** 29-30th September 2018

**AWWC Vision:**

To make welfare issues an everyday consideration for small animal practitioners and to ensure that the WSAVA becomes a proactive and respected partner within international welfare circles providing an opinion that balances compassion with science and practical needs.

**Purpose of workshop:**

- Engage WSAVA attendees, local veterinarians, professors and animal practitioners on practical issues in animal protection and shelter medicine
- Educate on best practices and share resources in shelter medicine and animal welfare
- Inspire all to meet or exceed minimum welfare and medical standards
- To be able to assess shelter conditions and describe ways to improve animal welfare
- To understand challenges faced in implementing shelter medicine and how to overcome it
- Lead the regional community in public health, animal protection and compassionate care
- The workshop will include lectures, site visits and group discussions

**Notes:**

- Capacity of workshop will be limited to 30 people.
- Workshop charge will be SGD 60 (USD 45) per local participants (South East Asia) and SGD 100 (USD 75) per international participant.

**Registration:** Deadline for registration August 15th, 2018
